

MAKOL ARIIK
DEVELOPMENT FOUNDATION

MISSION STATEMENT

The Makol Ariik Development Foundation (MADF) is a non-profit charity which provides educational opportunities to obtain advanced degrees to deserving students of Southern Sudan.

MADF was formed under Utah Law on Feb. 12, 2007 and has been approved by US Internal Revenue Service (IRS) for recognition as a publicly supported charity. The Board of Trustees of the Foundation are natives and friends of Southern Sudan who are working with the Universities of Southern Sudan to identify qualified students to study graduate degrees.
